11) The rent that was being paid by the Govt immediately prior to the building being taken over by the D.F.S. was only Rs 275/- & there is already an advance of Rs 1575/-

12) The question of release of this building may be considered after the D.F.S. has been set up. The main reason for this is that the building is being used for B.C.S. (1st year) and 2 of these for B.C.S. (2nd year) from Govt. In any case, the D.F.S. has taken over only the hall which is being used for Govt purposes, and this is of no use for Govt purposes, & was never used for such purpose.

13) In the circumstances mentioned by Mr D.F.S. it is not possible for him to release the portion of the premises in the occupation of the Food Dept. for the present. As soon as the Twin Nissan Sheds are set up the question of releasing this godown to the Sangha may be taken up to enable them to convert this into a dormitory for their student members. In these days the student population is increasing and the previous accommodation in hostels no longer suffices the needs of the students. No case appears for further enhancement of the rent

OFFICE OF THE MINISTER
FOR LAW

25 JUL 1946

No.

P. 232

To 30 JUL 1946

674/82

The Minister for Law,

D. No. Government of His Highness the Maharaja of Mysore,
BANGALORE.

Sir,

Application from the Office Bearers of Vokkaligara Sangha.Sub:- Release of Sangha Hall which has been commandeered
by the Food Supplies Department.

With reference to the above, we, the undersigned, office bearers of Vokkaligara Sangha, Bangalore City, beg to bring the following few lines to your sympathetic consideration and favourable orders ~~thereon~~.

1. The Sangha Hall was commandeered by the Deputy Commissioner, Bangalore District, for the storage of food grains in November 1944, and Government have sanctioned rent at Rs.350/- per mensem vide Government Order No.SD.6461-65/A. 31-44-89 dated the 8/11th March 1946.

2. In this connection, we beg to state that our Sangha is a charitable Institution registered under the Religious and charitable Endowment Act and is performing its normal activities of running Hostels at various places and is publishing a Weekly paper for infusing social and agricultural knowledge to the people.

3. This time, we have received about 200 applications for seats in the Sangha Hostel. But we have got 35 rooms wherein 105 students may remain. Every year, we used to accommodate three students in each room, but this year, in spite of dumping four students in each room, we can only accommodate 140 students. We have already allotted 170 seats and some more students are pressing for seats. Under the extraordinary conditions existing due to shortage of houses and food in Bangalore, these students will be forced to discontinue their studies, if we do not accommodate them in the Hostel. It is very difficult to house even four students in one room and we will be doing a dis-service to this backward community, if we are not able to feed and house these poor students coming from various parts of the State. We will be able to accommodate about 50 students in the Sangha Hall, if it is released to us immediately.

4. Further, we beg to state that owing to the ~~xx~~ storage of food grains, lot of damage has been done by rats, mouse and ants, and the Sangha hall has ~~x~~ to be repaired without which the conditions of the Hall may become worse and this charitable Institution will be put into lot of pecuniary ~~loss~~.

5. Therefore, we humbly request you to kindly release the Sangha Hall, which has been commandeered by the Food Supplies Department, immediately as the Government has done in innumerable cases in the interest of this poor charitable institution, which will really help the Sangha to achieve its aims and objects. This will also help innumerable poor students to prosecute their studies under these difficult conditions.

6. Further, Government have sanctioned only Rs.350/-

(Contd.)

towards the rent of Sangha Hall. The Sangha hall is capable of holding 15,000 bags. It is learnt, that Government ~~XXXX~~ are paying rents of Rs.600/- and more for buildings which are only half as big as our Sangha hall. We, therefore, request that sanction may kindly be accorded for the payment of rent at Rs.1,000/- per mensem, with effect from September 1944 till the date of release of the Sangha hall, for which act of great mercy, we will be ever grateful to the beneign Government of His Highness the Maharaja of Mysore.

Bangalore,
Dated the 26th July 1946. !

We, beg to remain,
Sir,
Your most obedient servants,
